August 26, 2021 - In this hilarious animated comedy adventure, you finally find out why the birds are so mean. On a paradise island completely inhabited by birds, very strange things are happening. And the thing is that birds from other planets flew to the heavenly lands. These alien creatures are not going to peacefully coexist with the local inhabitants and begin to brutally kill and take life. But is it possible to win the fight with the almighty birds, even if they donâ€™t even care about the weapons of people?
