CREDITS: Gamezebo A MAN WHO CUT THE LAND FROM THE BOTTOM UP WITH SHATTERING POWERS. WHEN I SAW GIDEON, I PLUGGED IN MY INTESTINES, BUT THEN I CUT MY THUMB, AND GOT SHOT IN THE HEAD. AND THEN... The last time I saw it, my world went over and I fell into the tub. And now I'm here. In

the Lands Between. I met a Hero. He said he'd heard I was here. He said I could find my love, if I returned to the Sword. As I searched for the mysterious power of the Saver. I twas awash in color as I crested a mountain. I came across colossal beasts. I studied them closely. I wanted to master their power. I could only study them for so long, though. I had to return. I had to return to the Sword, and find out what I was searching for. I went to the southern reaches of the Lands Between. And I came across the Elden King. I resolved to become his Mentor. He told me I could become the hero I wished. I told him I was no hero. 'I've seen the lands between before,' I said. 'I don't know if I can do what you want, without being a hero.' 'I've found my Mentor,' he said. He stared at me, then glowed. I saw the world through his eyes. 'I understand,' he said. He guided me to the Sword. 'The order of things is powerful. We are the magic of the world.' He gave me a Sword, 'A worthy blade!' 'Though you don't wield it like a hero.' 'But it's yours.' The sword had its own color. But I didn't understand anything about the Sword. I turned it around, examining it closely. I felt a surge of power, as I suddenly felt I could understand everything. 'The Sword is you. And I am the sword. You're a Hero. Like I've always been bff6bb2d33

The lands between the walls are a different world with different rules, and the darkness of the Elden Ring and the nothingness of the dead lords, along with the unerring power of the Elden Ring, has corrupted its land. Due to the sins of those who have lived there, the entirely original people scattered across the land have become as corpses.
