description the jewel of creation, the  
diamond mine, the gems of the world, the  
minefield of the galaxies. with your very  
own suit of space armor, you must  
venture into the distant expanse of space  
to collect the gems and bring back to the  
planet, guarded by the evil alien empire,  
who wants to get all the gems for  
themselves. the player must constantly  
navigate the dangers in an array of  
challenging levels by using the unique

---

ability to create asteroids. earn experience points to unlock new abilities and weapons, upgrade your ship and collect more stars. using the unique look of the game, you will face hordes of enemies. if you play with your friends, you can compete with them on different levels of difficulty to try to be the best in the galaxy. a visit to the planet is sure to be a thrilling experience. help your teammates using their special skills and powers. defeat the enemies from all sides with your powerful weapons. if you get attacked, you can switch to the turret mode to instantly shoot the enemies, slowly making progress through the level. collect all the gems in each level, and bring all the treasure back to your ship. your mission is to survive and finish the level by finding the best way to escape the danger. the unique look of the game will be a new challenge. the ability to create a weapon is a staple in this game.

---

you must collect stars to upgrade your level of weapons. when you have enough stars, you can use them to create new weapons. when you have more than one weapon, your skills will improve with each one you upgrade. 5ec8ef588b
