Скачивание бесплатно eJay 4 7.8 мар 2018 г. Название: Dance eJay 4 Описание: eJay is a popular DJ program that has been used on the dance floor for more than a decade. eJay Dance is DJ software that offers five thousand new royalty-free sounds (samples, loops, beats and patches), many effects (eg. echo, chorus, reverb, compressor), selectable playback modes, turntable, and mics, and full MIDI support. It has no sound limitations, so you can create your own unique sound with eJay, and you can add your own custom music (including loops and samples) in less than two minutes. To set up eJay, just create a new project, select an effects chain, create a suitable, pre-made song, select a song from your music library, turn on the turntable, and press Play. This simple three-step process takes less than five minutes. Since eJay is a DJ program, you can create a playlist or a podcast with audio clips from a song you just played, and then play it again. You can also sync DJ playlists from multiple computers and mobile devices, and share your music with others. eJay offers great compatibility with DJ controllers including CDJs, Numark MCMix, Numark Mixtrack, Numark Mixtrack II, Numark CDJ Touch, Numark CDJ MIX II, and Numark CDJ-i MCMix.
