Installing Adobe Photoshop is not a difficult process. First, go to the Adobe website at <http://www.adobe.com/products/photoshop.html> and look for the version of Photoshop that you want to install. Once you've found the version, download it using Internet Explorer (IE), Mozilla Firefox, or Chrome. Then, open the downloaded file and follow the on-screen instructions to install the application. After the installation process is complete, you need to locate and extract the.exe file of Photoshop. Once you've done this, you can use Photoshop. Just make sure to back up all of your files as it is very easy to modify files using Photoshop. After you backup all of your files, you can use Photoshop.
